

2013 Fountaine Pajot Lipari 41 (HID:FPA50120J213, USCG DOC 1244373)

This 4+2 cabin/4 head version was damaged by Irma but since refitted and upgraded by a knowledgeable owner to better than prior condition. She spent last 2 season in crewed (captain + chef) charter based in the Virgin Islands. All on-board systems have been continuously maintained and upgraded by owner and full-time crew. She is US-flagged/documented, has a current survey, and is presently insured with a US-based carrier.

Overview

This model version is popular with owners for its performance, comfort and ease of ownership, while guests find cabins with queen-sized beds & in-suite spacious & private. With plenty of natural light, opening hatches, fans and air conditioning in every cabin staying aboard is very comfortable for all. Fast and economical under motor with new twin Volvo 40hp diesels, and easy to sail thanks to an electric winch, wireless windlass controls and centrally located helm station with updated running rigging, and new canvas w/windshield. Fully equipped galley, dual refrigerators and water tanks make it easy to provision and cook, while seating arrangement with custom folding/lowering teak table in the cockpit is perfect for a couple or a crowd of 10. Updated electrical system with 300-watt solar system, new 6kW Northern Lights genset, dual 16k BTU AC systems, charger, inverter and more. The vessel is ready to sail and comes complete with AB 2018 dinghy/Yamaha 2018 outboard, kayak, SUP, snorkel and scuba gear. Spares inventory includes Bottom & sail drive gear has been maintained, cleaned and painted in Nov 2019. In addition to full complement of printed and digital versions of the installed equipment manuals, a custom owner's manual is included that details every onboard system and provides updated layout or all electrical components, plumbing equipment, thru-hulls and seacocks.
